Clifton fall to disappointing loss

Clifton 14 - 65 Shelford

Clifton fell to a very disappointing loss against an impressive Shelford side on Saturday. Going in at half time still well in the game at 20 - 14 down, Clifton's normally good defence deserted them in the second half where a four try burst early on took the game well out of reach before Shelford piled on the misery late on with 3 further tries. A hugely disappointing day but Clifton will no doubt be very keen to put a big effort to raise their performance next week in their last game of the season to ensure that a good season - which again will see them finish as the highest placed Bristol club (other than Bristol) - finishes on a high.

Why not take up the fantastic sport of rugby in 2012 and join a great sporting community?

Clifton can cater for players of all ages and abilities. If you are a senior player, we run 4 teams from the first team who compete in National 2 against teams from all over the south of the country and the second team competing in the Gloucestershire premier reserve league, to the third and fourth teams who play in the local Bristol leagues - contact Darren Lloyd on 07803 022875 or darrenlloyd@cliftonrugby.co.uk or turn up to training at the Portway Rugby Centre on a Tuesday at 7 or on Thursday at the club at 7.

Clifton also has a thriving mini and junior section catering for all ages from 7 - 17. If you are interested or want more info just click on the Junior and Mini links to the left and contact the relevant age contact manager.
